

Intesa Sanpaolo and Intesa Sanpaolo Innovation Center  
are pleased to invite you to the Conference

**Critical Raw Materials**  
**Challenges and opportunities for**  
**economic and industrial sectors**

**London, 16 September 2024 at 5.00 pm**  
**Embassy of Italy, 4 Grosvenor Square**

The event, in collaboration with ICCIUK, will include the presentation of the “Critical Raw Materials Report”, published by Intesa Sanpaolo Innovation Center.

The report will provide an in-depth overview of the supply chain vulnerabilities, environmental and social impacts of CRM extraction, analysing the different industrial applications of CRM with a special focus on strategic technologies and sectors.

The event will host a panel of corporate representatives, with key-note speeches delivered by experts and tech-companies’ founders.
